Meeting Agenda

Group meeting for group C7

§1 Objectives

- Decide time for next supervisor meeting.
- Go over what to do next (domain model?)
- Selection of first user stories / start prototyping

§2 Reports

We've written a bit more on the RAD.

We've written some user stories.

Hugo Ekstrand

- Written on the RAD (mainly intro and GUI/sketch part) and some user stories.

Love Gustafsson

- Written on the RAD (on the project description).

§3 Discussion Items

1. Decide time for supervisor.
2. What will we do next?
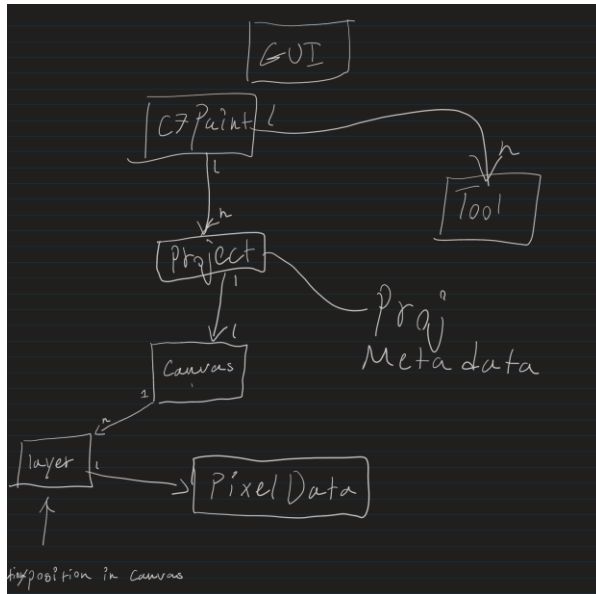

§4 Outcomes and assignments

Outcomes:

1. We decided at a time of 13:15 on Friday (2021-09-10)
2. We made a basic domain model (see image). And we decided to create the basic structure of the project so that we can begin prototyping.

Date: 2021-09-07

Assignments:

1. **Love Gustafsson** will email the supervisor so and try to get at time at 13:15.
2. **Hugo Ekstrand** will create the project structure on github (folders, pom, entrypoint, etc.).
3. We will also, later (most likely next meeting), delegate which parts of the prototype will be done by who.

§5 End of Meeting

Unresolved: which user stories should we pick?
Next meeting is Thursday 9/9 13:15 at F4053.
